

APRIL 16-19. 2014

INFERNO

METAL FESTIVAL NORWAY

2014

ORANSSI PAZUZU TO INFERNO METAL FESTIVAL 2014

From the Finnish forests comes ORANSSI PAZUZU – a band not easily to put into any genre. The music takes its form from black metal, but uses a lot of elements from everything from experimental space rock to heavy sludge and doom metal. This is for the people who wants something new and different, and are not afraid to broaden their horizons. We at INFERNO METAL FESTIVAL are proud to bring this innovative band for the first time to Norway.

Earlier announced artists are DIMMU BORGIR, TULUS, SIGH, IMPIETY and BLACK WITCHERY.

ORANSSI PAZUZU

Oranssi Pazuzu was formed in 2007 by vocalist Kuolleet Intiaanit from the psychedelic rock band Kuolleet Intiaanit. Two years later their debut album «Muukalainen Puhuu» was released to great acclaim, with their unique sound and creative madness. In 2011 their second album, «Kosmonument», took the band one step further. More doom, more krautrock and more psychedelic atmosphere than ever before. This led Oranssi Pazuzu to perform at several big European festivals like Hellfest and Roadburn. In October this year, the band will release their third album called «Valonielu». Oranssi Pazuzu's music is hard to compare with any other artists, but fans of Ved buens ende, Virus, Hail Spirit Noir and Nachtmystium should definitively check out Oranssi Pazuzu at Inferno Metal Festival 2014.
