DIABOLICAL

The blackened death metallers Diabolical will release their sixth studio album “Eclipse” on February 15th via Indie Recordings. More than twenty years after their formation in northern Sweden, innovative death/black metal hybrid Diabolical proves to be more vital than ever and puts forth “Eclipse”, a concept album reflecting on the dark side of humanity that forces the listener to explore his own diabolical side. The album is a tour de force with spitting musical and aesthetic complexity swirling around a dense soundscape of excellently distilled and refined ideas, altogether forming a rare display of musical craftsmanship equaled by very few contemporary metal bands. With nine gracefully raging songs, “Eclipse” presents DIABOLICAL as a mature and sophisticated band on the rise to new heights.

THE NEW DEATH CULT

The New Death Cult is here to crush hate, injustice, environmental destruction and greed with universal peace & love, through the superior medium of rock music. The band has traveled from across the stars to spread their words and music, and have brought the very best songs from their home planet Netuluna in the Andromeda Galaxy.

POSTHUM

Posthum are currently working on their next album – at last! New tunes will be out in 2019 and with this they are again ready to play live. This is a band that have carefully created their own unique sound and way of thinking as an isolated band, located in the forests north of Oslo. Their debut record (2009) was highly acclaimed as a hard, but yet atmospheric and beautiful album, with a cold sound and strong arrangements constantly growing on the listener. This is something that Posthum cleverly and brilliantly have been able to past on and perfect from album to album since. We're looking forward to the next!

INFERNO METAL FESTIVAL 2019

CLARION HOTEL® THE HUB - OUR OFFICAL FESTIVAL HOTEL

Clarion Hotel The Hub is a renovated, expanded, renamed and new edition of our old official festival hotel Royal Christiania from a couple of years ago. The hotel opens in March 2019 so it will be brand new at the time the festival starts. The rebuilt hotel has a much stronger focus on events and conferences compared to earlier.

The Inferno family; artists and fans, media and music industry will gather at the hotel for four days of happenings, partying and a good night of sleep. During the Inferno week there will be Inferno pre- and after-parties in the bar, black-metal breakfasts, Inferno exhibitions and a hell of a lot of special treats for our guests.

The Hub boasts Oslo's best location, right next to Oslo Central Station. The hotel is currently undergoing renovations and will reopen in March 2019 with 810 modern hotel rooms, 24 meeting rooms and 2 unique bars and restaurants.

During the festival period from April 14th to 22nd the hotel offers rooms at special festival rates.
