MARDUK

The most blasphemous band in the world! Marduk has lived up to their reputation and still today, 30 years after the band was formed, they sound like a war machine crushing every religious figure that crosses their path. The band has huge back catalog consisting of great albums, and they are just continuing to release some of the most brutal and heretic black metal albums out there. 2020 marks their 30th anniversary which will be celebrated with a special show at Inferno Metal Festival 2020. Make sure you don't miss this unique opportunity to join in on the celebration.
