## KAMPFAR + MORE ARTISTS TO INFERNO 2024

Several artists are confirmed for Inferno Metal Festival 2024. It is with great joy that we can present Kampfar, Dödsrit, Tusmørke, Forcefed Horsehead, Inchoation, Terminal and Deathbarrel.

### KAMPFAR

The Norwegian black metal band started in 1994 and has since released a total of nine albums and two EPs. This means that Kampfar can celebrate a full 30 years with us at Inferno in 2024 and their fantastic career. Especially in recent years, the band has established itself as one of the truly strong Norwegian artists both on record and live. Kampfar won the Spellemannprisen in 2015 for "Profan", and they were nominated for the Spellemannprisen for "Ofidians Manifest" in 2019. Last year, "Til klovers takt" was released, earning them another well-deserved Spellemannpris. But awards are not the most important; the band has consistently delivered quality in all aspects. From solid albums to excellent concerts. In 2022, they played a fantastic concert at Inferno Metal Festival, and it's delightful to have them back with us in 2024.

### DÖDSRIT

The Swedish black metal band Dödsrit released their debut album in 2017 and has since released two more records. The band has garnered positive reviews over the years and is one of the more exciting Swedish black metal bands in recent times. Dödsrit has never played in Norway before, and we look forward to having them with us at Inferno Metal Festival 2024.

### TUSMØRKE

Tusmørke is a Norwegian psychedelic prog-rock band, often with occult themes of witchcraft and sorcery. The band has released a total of eleven albums so far. The latest, "Hestehoven," was released this year and has received much acclaim. You can experience the band's unique music live for the first time at Inferno Metal Festival 2024.

### FORCEFED HORSEHEAD

Norwegian Forcefed Horsehead has been serving Oslo audiences with groove death metal since 2011. In 2015, the band's debut album "Hunting Witches" showed a group hungry to spread brutal rhythms with deep death growls. After a vocalist change and more, the band is back with the follow-up "Monoceros," released earlier this year. Therefore, Forcefed Horsehead is set to perform at Inferno Metal Festival 2024.

### INCHOATION

Inchoation is a new Norwegian death metal band. They have not released any music so far, but those fortunate enough to have seen the band live can attest that this is promising material.

### TERMINAL

Terminal is a new band from Oslo and released their debut album "R.A.T.S." earlier this year. The band consists of Pål Salvesen and Jake Ralph, who have together crafted something that can be described as

dark industrial music. But it's challenging to pigeonhole the duo into a specific genre as Terminal sets no boundaries for themselves. This must be experienced when they perform live at Inferno Metal Festival for the first time.

## **DEATHBARREL**

Deathbarrel were spawned in a Norwegian prison back in 2012. Naturally we're talking about outlaw country music. The real thing so to speak. Deathbarrel is a moving, living, fornicating, hard drinking foot stomping shindig of a band, feasting on harsh winters, harsher women and lethal amounts of bourbon. With its dark and eerie vibe, pitch black humor and kerosin breath, Deathbarrel slithers its way through damp swamps, cold mountains, grey courtrooms and sweaty bayous and fjords! Deathbarrel is the truth. After a few successful gigs in 2023 we are happy to have Deathbarrel back in 2024.
